

National Level Online Bits & Brains Quiz Competition

The Bits & Brains Online Quiz Competition, a National-level interschool event, was successfully conducted on October 20, 2024. Organized in collaboration with the Association of All Computer Science Teachers (AACST) and Hislop College, Nagpur, the competition focused on basic computer skills, providing a platform for students from 9th to 12th grades, across all streams (Arts, Commerce, and Science), to demonstrate their knowledge of computer science and digital literacy.

Competition Format

The competition featured **Multiple Choice Questions (MCQs)** designed to assess students' knowledge in technology.

Objective of the Competition

The Online Quiz aimed to spark interest in technology, enabling students to showcase their **analytical and problem-solving skills**. It encouraged **critical thinking** and **innovation** among young learners, preparing them to become future leaders in science and technology.

Participation Highlights

- Total Participants: 30
- Total Schools Represented: 8

The organizers expressed heartfelt gratitude to all schools, teachers, and parents for their unwavering support. Such events are pivotal in nurturing the next generation of leaders in the field of technology and science.
